Subject: Charles Pillon

Good Afternoon Samantha,

My name is Kris Leefers, I'm a lawyer in Region 10 of the U.S. Environmental Protection Agency. Brad Roberts gave me your contact information as the appropriate attorney to contact regarding a case involving Charles Pillon. I just left a voicemail on your office's general line, but I'm not sure when that message will get to you given the pandemic and likely remote working situation. When you have a chance, can you please call me on my cell phone, (b) (6)? I have a few quick questions.

Thanks,
Kris
